ORDERS OF THE DAY.

At 11th the Senate, under a dispensation of the rules, took the orders of the day.

A bill to amend the charters of the several banks of the State of Kentucky, was taken up and is as follows:

§ 1. *Be it enacted by the General Assembly of the Commonwealth of Kentucky, That it shall and may be lawful for the banks of issue in the State of Kentucky, on the — day of —, 1861, to re-issue, in bank notes of denominations not less than one nor more than fifty dollars, the sum of four millions of dollars, redeemable in gold or silver at the expiration of two years from and after the date of such re-issue; the amount aforesaid to be issued by the following named banks, in proportion to the capital stock actually taken and paid in, to-wit: the Commercial Bank, the Southern Bank, the People's Bank, the Bank of Louisville, the Bank of Kentucky, the Farner's Bank, the Northern Bank, and the Bank of Ashland.*

§ 2. *That the re-issue aforesaid shall be duly made known, and designating by writing or stamping on the face of each bank note, "Re-issued this, the — day of —, 1861" and countersigned by the cashier of said bank.*

§ 3. *That it shall be the duty of the aforesaid banks, within three months after the day of —, 1861, to loan the citizens of each of the ten Congressional districts, upon new accommodations, in sums of not more than one thousand dollars to each individual applicant, to be repaid, in calls of not more than ten per cent, upon the original amount loaned for the two first one hundred and twenty days the said loan shall run, and not more than twenty per cent, for each one hundred and twenty days it may afterwards run, an amount not less than four hundred thousand dollars to each of the Congressional districts in the State of Kentucky:*

Provided, That if there should not be suitable and satisfactory applications for the amount to which any district may be entitled before the first day of July next, then the said banks may lend in larger sums than one thousand dollars; And provided further, That if said banks fail to make the loans herein provided for, within the time stated, for the want of proper and satisfactory applications therefor, then the said banks shall have the benefit of the provisions of this act, in case they shall make the loans aforesaid to the amount named in the year 1861.

§ 3. *It shall be the duty of the Commercial Bank and the Bank of Ashland to make the said loans in districts one and nine; and it shall be the duty of the Southern Bank and the People's Bank to make said loans in districts two and three; it shall be the duty of the Bank of Kentucky and Bank of Louisville to make said loans in districts four, five, and seven; it shall be the duty of the Farmers' and Northern Banks to make said loans in districts six, eight, and ten.*

§ 4. *It shall be the duty of said banks, in making the loans herein provided for, to divide the sum going to each district among the several counties composing such district, in proportion to the number of voters in each county respectively, as near as may be; And provided, That if there be not good and satisfactory applications from any county for the full amount to which such county is entitled within ninety days from the 1st of March, 1861, then said banks may lend the whole of the share of such county to the single one before reference, and whether he considers this course of action smothering; and I would remind him of the action of the House on this subject but a few days before I presented the petition in question, when the reading of one was asked for, and the whole House responded no, no. I have but pursued the almost universal course of other members in this case, and would have asked for the reading of the petition, had I understood such to be the wish of my young friend or the petitioners.*

I am aware that the young gentleman who corresponds with the Democrat feels a heavy weight of responsibility resting on his shoulders in this great emergency, and particularly in undertaking to see that members discharge their duties properly; but in this instance I humbly submit that his great zeal has outrun his discretion, and when my young friend undertakes to direct and control the whole legislation of this State, I fear he has rather over *cropped* himself. As to his effort to sow discord, dissension, or suspicion between my constituents and their representative, I would say that I have lived in that community for the last fifty-five years to but little purpose if he succeeds, and I have received to many evidences of their confidence to fear it, therefore I would recommend to the young gentleman to use his paper for the more innocent amusement of constructing kites, in preference to assaulting his oldest and best friends. In conclusion, I would suggest to my young friend in a spirit of kindness, for I have only the most kindly feelings towards him, that he correct the errors into which he has fallen, and thereby do justice both to himself and me; for great as the injustice in this instance is to me it is much greater to himself.

§ 5. *That it shall be the duty of the president and directors of the banks aforesaid to make known to the Governor of this Commonwealth, within — days from the date of this act, whether or not they accept the provisions thereof, and undertake to make the loans as herein required; and in the event that one half of said banks agree to and do accept the provisions of this act, will add to the amount to which such county is entitled.*

§ 6. *Be it further enacted, That the re-issue provided for in this act, when made conformable thereto, shall be taken and received in payment and discharge of all dues and demands to and from the State of Kentucky.*

MRS. WINSLOW,
An experienced Nurse and Female Physician, presents to the attention of mothers her SOOTHING SYRUP, FOR CHILDREN TEETHING.

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is sure to regulate the Bowels. Depend upon it mothers, it will give rest to yourselves and Health and Health to your Infants.

We have just put up and sold this article for over 10 years, and in its confidence and teeth, of it, what we have never been able to say of any other medicine—never has it failed in single instance to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of the highest commendation of its magical effects and medicinal virtues. We speak in this matter "what we do know" after ten years experience and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhalation, relief will be found in fifteen or twenty minutes after the Syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the sluggish bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve Griping in the Bowel and Wind Colic, the commonest complaints, which, if not speedily remedied, end in death. We believe it is THE BEST AND SUREST REMEDY

the world in ALL cases of DYSENTERY AND DIARRHEA IN CHILDREN, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between your suffering child and the relief that will be SURE, yes, ABSOLUTELY SURE, to follow this medicine, if timely used. Full directions for using will accompany each bottle. Noue genuine unless the fair simile of CURTIS & PERKINS, New York, is on the outside wrapper.

For Druggists throughout the world.

Price Only 25 Cents Per Bottle.

FRANKFORT AGENCY OF THE

New York Life Insurance Company.

At a meeting of the Local Directors of the New York Life Insurance Company, held in the city of Frankfort, Ky., December 4th, 1858, the following was unanimously adopted:

The undersigned, President and Directors of the Company, have examined the report and exhibit of the New York Life Insurance Company for the half year ending July 1st, 1858, and being satisfied with its prosperous condition, cordially recommend the encouragement and support of

the community.

The New York Life Insurance Company has been in existence fourteen years, its capital has attained

the sum of \$1,500,000.

Invested in State stocks, bonds and mortgages on real estate.

We think it a most safe and profitable mode of investing money. The profits ensure to the benefit of the insured, and have averaged not less than 20 per cent. per annum on the premium paid.

Besides these investments in stock, &c., the law of New York requires an additional security, that \$100,000 shall be deposited with the State Comptroller, to meet any lawful demands which the Company may fail to pay.

We invite attention to the nature, objects, and advantages of Life Insurance, as set forth by this Institution.

It will be seen by the above statement that this Company is in a flourishing condition. Those desirous of information in regard to the subject of Life Insurance, would do well to call on the Local Agent of the above Company, who will give them any information that may be desired, or for reference apply to either member of the Local Board, all of whom are insured in this office.
